# Group 10_Shefield_AI_Replication_Games

Project URL: https://osf.io/kzc68/

1. Project Metadata

Title: Group 10_Shefield_AI_Replication_Games
Description: Group 10 Machine of the AI Sheffield Replication Games
Date Created: 2024-06-17
Last Modified: 2025-07-09
Category: project
Public?: Yes
Registration?: No
Tags: ['Replication']
Current Permissions: ['read']
DOI: N/A
Exported At: 2025-07-11 14:38:55 BST
Affiliated Institution(s): University of Manchester

2. Contributors

Name	Bibliographic?	Email (if available)
Ramiro Bravo	Yes	N/A
Amélie Gourdon-Kanhukamwe	Yes	N/A
Zahra Arjmandi	Yes	N/A

Institute for Replication - AI Sheffield Replication Games

This is the Group 10 - Machine team.

Goal:
The goal of the event is to test whether machines and cyborgs are better/faster than humans at uncovering coding errors, reproducing the results in a different software, and conducting robustness checks.

Information provided can be found here:
